**RENEWED PETITION UNDER 37 C.F.R. §1.181**

In response to the dismissal of Applicants' Petition filed on June 17, 2008, to withdraw the holding of abandonment, the Applicants submit this renewed petition:

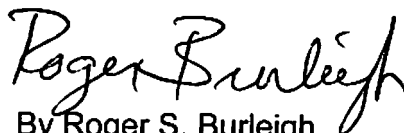

1. According to a Notification of Abandonment, mailed by the USPTO on May 22, 2008, the application was abandoned on the basis that "Applicant has failed to respond to the notification of MISSING REQUIREMENTS (Form PCT/DO/EO/905), mailed 05/22/2006 within the time period set therein." (Exhibit A)

2. The Applicants did not receive the Notification of Missing Requirements at the correspondence address of record, and a search of the undersigned practitioner's records indicates that the Notification of Missing Requirements was not received.

3. The practitioner's office maintains a docketing system that logs all incoming correspondence from the U.S. Patent Office, as evidenced by the copy of the master docket record (Exhibit B) for the practitioner's office, listing all replies docketed for the due date (July 22, 2006) for the Notification of Missing Requirements.

Based on the foregoing statement of facts, the Applicants contend that a Notification of Missing Requirements was never received and, therefore, the holding of abandonment for failure to respond thereto should be withdrawn.

Respectfully submitted,

A handwritten signature in black ink that reads "Roger Burleigh". The signature is written in a cursive, flowing style.
